Golborne Road FESTIVAL

Sunday 10th July, 1 to 6 pm

The Golborne Road Festival is a free celebration of the rich, diverse community that lives in the neighbourhood. Now in its 7th year, the festival is organised by volunteers from local community group the Golborne Forum, a local network that brings together residents, community groups and businesses.

Aimed at local people and visitors from further afield, the festival promotes local talent and offers opportunities for local people to join in and volunteer.

Make a donation!

Thanks to some great local sponsors we have made good progress towards meeting our fundraising target. But we still face a shortfall.

If you can donate to our crowdfunding campaign visit:
